GOCO 101

OUR MISSION

To help the people of Colorado preserve, protect, enhance, and manage the state's wildlife, park, river, trails, and open space heritage

ARTICLE XXVII

- > Created by a vote of the people and developed as part of our state constitution
- > GOCO is funded entirely from Colorado Lottery proceed, no tax dollars
- > Independent political subdivision of the state
- > Governor-appointed board

FUNDING QUADRANTS

The Constitution requires GOCO to allocate funds in a manner that is substantially equal over time to achieve outcomes across these four areas.

The Constitution also outlines entities eligible to receive funding in each quadrant.

Outdoor
Recreation

Local
Governments

Wildlife

Open Space

APPLICANT ELIGIBILITY

WHO CAN APPLY

- > Colorado cities, towns and counties
- > Title 32 special districts eligible to receive Conservation Trust Fund distributions
- > Land conservation organizations that support open space and natural area acquisitions
- > Political subdivision of the State of Colorado whose missions are to identify, manage, or acquire open space and natural areas
- > Colorado Parks and Wildlife

Please note: School districts, libraries, and other nonprofit organizations are not eligible for GOCO funding. However, ineligible organizations may partner with their local government or land trust to apply for funding. Please reach out to eligible organizations directly to discuss opportunities.

COLORADO'S OUTDOORS STRATEGY

Elevating the Outdoors Strategy
Special Regional Partnerships Initiative

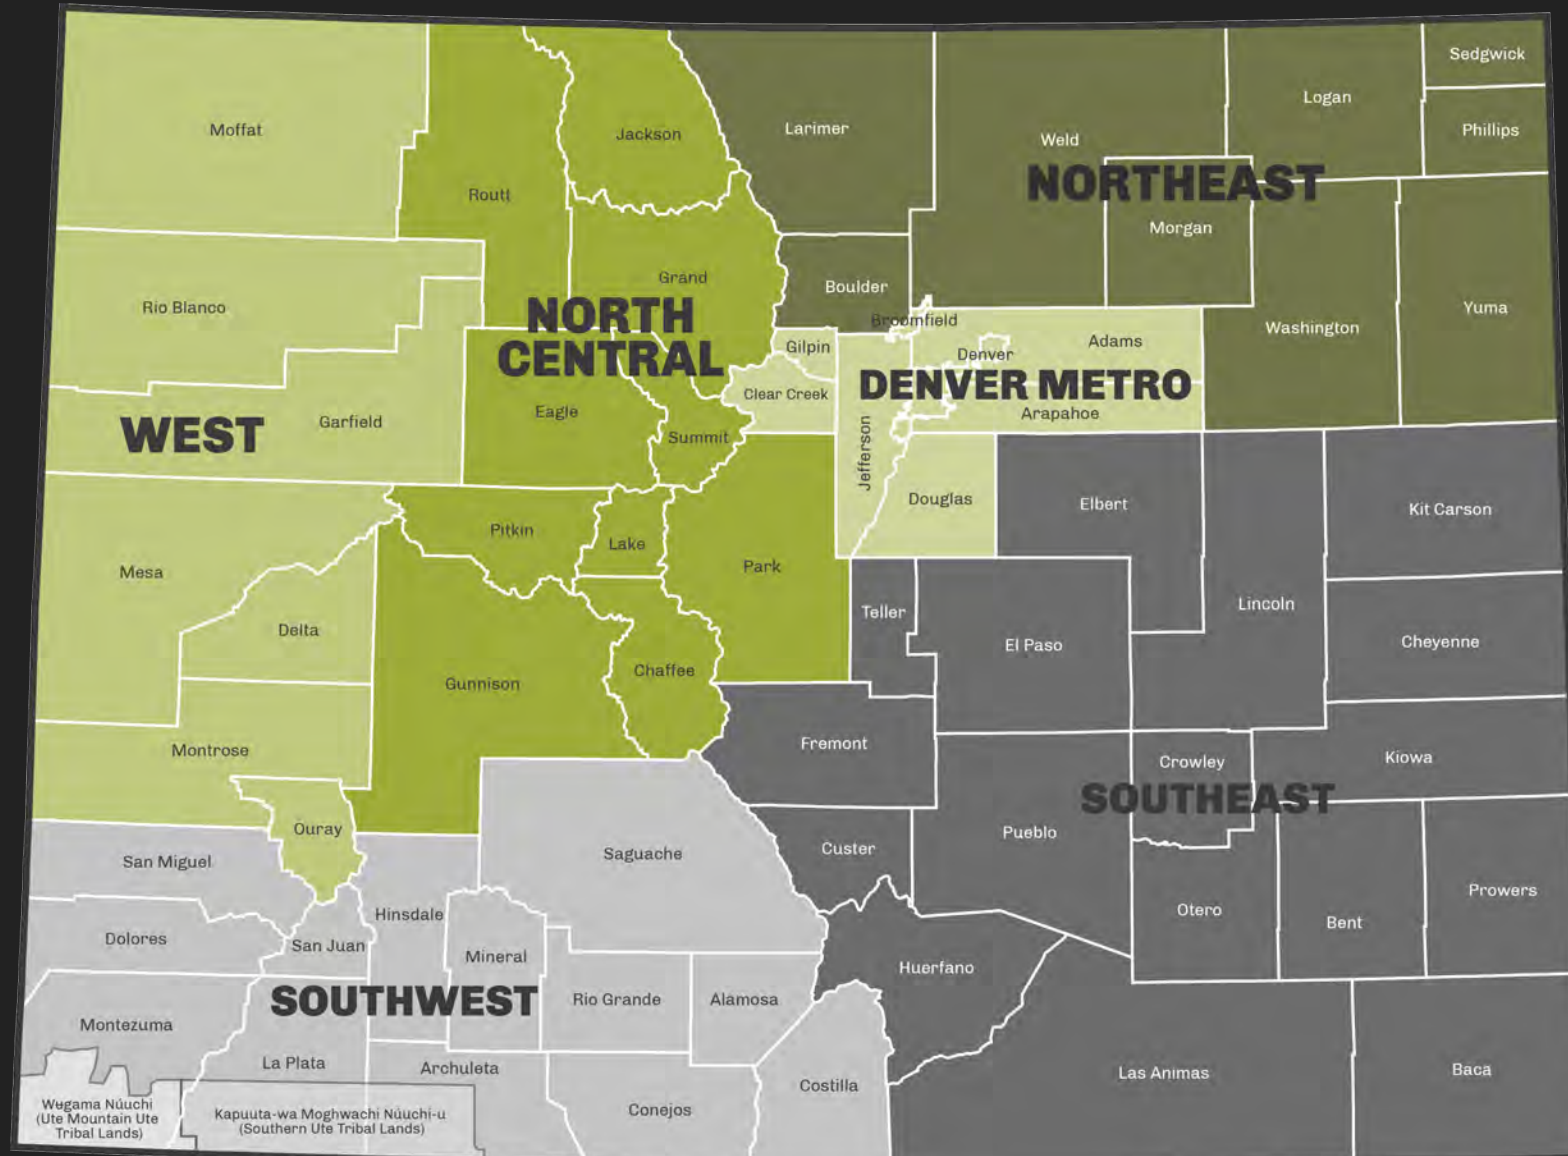

COLORADO'S OUTDOORS STRATEGY

A statewide vision that elevates common goals, amplifies regionally rooted efforts, provides data and tools to inform local decision making, and advances coordinated, statewide strategies and funding for conservation, outdoor recreation and climate resilience.

REGIONAL UPDATE

The background of the slide is a solid olive green color with a subtle, intricate pattern of white contour lines, resembling a topographic map. The lines are more densely packed in some areas and more spread out in others, creating a sense of depth and texture.

PROGRAMS OVERVIEW

A summary of GOCO's grant programs

PROGRAM VALUES

RESOURCE CONSERVATION

We value strategic land conservation and resource protection work.

OUTDOOR STEWARDSHIP

We support sustainability and improvements to the state's natural and recreational resources.

COMMUNITY VITALITY

We invest in conservation and outdoor recreation efforts that support communities and quality of life.

EQUITABLE ACCESS

We partner with communities to break down barriers to the outdoors.

YOUTH CONNECTIONS

We support projects and programs that help children and families get outside more often and experience all the benefits of doing so.

BASE PROGRAMS

LAND ACQUISITION

Supports important landscape, waterway, habitat, and public access land protection priorities. *Grant awards: Competitive proposals are generally up to \$3 million per project. However, when funding is available, GOCO may consider more significant investments in high-impact projects.*

COMMUNITY IMPACT

Supports planning and/or construction of new or upgraded parks, trails, natural areas, and other outdoor amenities. Funding may also support stewardship work at outdoor recreation sites. *Grant awards: \$100,000-\$2 million per project; large investment opportunities up to \$5 million starting in FY27.*

PATHWAYS

Addresses pressing issues and opportunities through research and knowledge-building activities; data-gathering and analysis; development of tools and models; and expanding staff capacity. *Grant awards: There is no maximum request amount; however, competitive proposals are generally \$100,000-\$300,000 per project.*

GENERATION WILD

A youth in the outdoors movement that invests in collaborative communities made up of local public, nonprofit and private organizations creating new outdoor experiences and career opportunities for historically underserved and underrepresented youth and families. *Funding opportunity not available at this time.*

MATCH & LEVERAGE

MATCH & LEVERAGE

No predefined match requirements for any programs. Work with program officers to provide a reasonable match amount based upon availability of local resources and other sources.

PARTNERSHIPS

We encourage diverse partnerships in project planning, development, implementation, and activation. Leveraging partnerships for collective impact can bring additional resources to projects and build buy-in.

BEFORE YOU APPLY

COMPETITIVENESS

We invest in large and small projects that advance the highest and best use of GOCO funds. For the upcoming fiscal year, we have \$16 million to invest across all base program projects.

PARTNERSHIP & COMMUNITY ENGAGEMENT

We encourage partners to take a community centered approach to their work and consider community engagement when appropriate.

EQUITY & ACCESS

We encourage partners to engage with a diversity of voices in project visioning, planning, and decision-making, especially those from disproportionately impacted populations, including Black, Indigenous, Latine, and racially and ethnically diverse people; those from people across the spectrum of sexual and gender identity; those with disabilities; and those from low-income, urban, and rural communities.

CAPACITY

GOCO will fund capacity related to your project.

REIMBURSEMENT FUNDING

Payments are made on a reimbursement basis except in cases of financial hardship.
