

SIGNAGE ORDER FORM

FOR LAND ACQUISITION GRANTEES

Please return this form to Amber Shanklin at ashanklin@goco.org.

Project Name / Contract Number: _____

Number of signs: _____ 7.5" x 7.5" [Public option] _____ 13" x 7.5" [Private option]

Two sign options are available for land acquisition grantees. One is a 7.5" aluminum square for properties with public access. For private properties, a 13"X 7.5" option is available.

Signage Waiver

To request to waive signs, please contact Amber Shanklin at ashanklin@goco.org.

Custom Signage

If you would like to create custom signage at your own expense, request a GOCO logo at info@goco.org.

Signage Guidelines

Thank you for ordering GOCO signs for your project! We're thrilled to support land acquisitions. Signage is an important tool to raise awareness about GOCO and to maintain public support for this important funding source, so we appreciate your help in this effort.

Below are a few brief guidelines for installing signs at project sites with public access:

DO post your GOCO signs in high-traffic areas of the project site, close to eye level

PLEASE BE MINDFUL of the sign's sharp edges when doing so.

PLEASE DON'T install signs on trash cans, in bathrooms, or in other aesthetically challenged spaces or at the top of pavilions and other out-of-sight areas.

DO send a photograph of installed signs to ashanklin@goco.org within one year of closing on your land acquisition.

DON'T hesitate to ask for replacement or duplicate signs. We are happy to send you as many as you need!
